

JARLTECH

Jarltech European AIDC/POS
Showroom,
Event & Training Centre

Hands-on hardware

Welcome to Europe's largest exhibition for POS and Auto-ID, permanently open for you! All the leading vendors present nearly their entire portfolio here.

On a total area of approximately seven hundred square metres you will find POS systems, barcode scanners, printers and handheld terminals available for you to view and test – connected, configured and fully operational.

Compare

Test and compare hundreds of devices from the top vendors with each other – whenever you want!

Relax

Use our comfortable Jarltech driving service directly from the airport or train station in Frankfurt am Main for you and your customers. We'll pick you up – in half an hour you are here.

Host

Come directly with your customers. In the connected Event & Training Centre there is enough space for your own customer and training events. By the way, we do world-class catering.

Online

Visit our Showroom easily online, too: [Start your virtual tour.](#)
